### I. NEW NATIONAL UB-92 CLAIM FORM

This Medical Assistance Provider Bulletin (MAPB) provides important information on the Wisconsin Medical Assistance Program's (WMAF) implementation of the revised UB-92 (HCFA 1450) claim form. It is important that providers review this information carefully and share it with billing staff.

The Health Care Financing Administration (HCFA) has mandated that all state Medicaid programs implement the UB-92 (HCFA 1450) claim form. The WMAF is implementing this mandate according to the following guidelines:

#### PAPER CLAIMS

All paper claims received by EDS on or after **October 4, 1993**, but prior to April 4, 1994, may be submitted on either the UB-82 *or* the UB-92 claim form.

All paper claims, including adjustments and the resubmission of any previously denied claims, received by EDS on or after **April 4, 1994**, must be submitted on the UB-92. Claims received by EDS on or after April 4, 1994, on a claim form other than the UB-92 will be denied.

#### ELECTRONIC CLAIMS

All electronic claims transmitted to EDS on or after **January 1, 1994**, but prior to **4:00 PM central time on April 1, 1994**, may be submitted in either the UB-82 *or* UB-92 claim format. Magnetic tapes in the UB-82 format must be received by **2:00 PM central time on April 1, 1994**.

All electronic claims, including the resubmission of any previously denied claims, received by EDS after **7:00 AM central time on April 4, 1994**, must be submitted in the UB-92 claim format. Claims received by EDS after 7:00 AM central time on April 4, 1994, in a claim format other than the UB-92 will be denied.

**NOTE:** In order to convert the claims processing system from the UB-82 to the UB-92 claim format, EDS will not accept electronic claim transmissions between **4:00 PM on April 1, 1994**, and **7:00 AM on April 4, 1994**.

The UB-92 claim form is not provided by either the WMAP or EDS, but may be obtained from a number of forms suppliers, including:

This item is used for other health insurance and Medicare.

Bill other health insurance (commercial insurance coverage) prior to billing the WMAP, unless the service does not require other health insurance billing according to Appendix 18a of Part A of the WMAP Provider Handbook.

- When the provider has not billed other insurance because the "Other coverage" of the recipient's Medical Assistance identification card is blank, the service does not require other health insurance billing according to Appendix 18a of Part A of the WMAP Provider Handbook, or the recipient's Medical Assistance identification card indicates "DEN" only, leave this element blank.

- When "Other coverage" of the recipient's Medical Assistance identification card indicates HPP, BLU, WPS, CHA, or OTH, and the service requires other health insurance billing according to Appendix 18a of Part A of WMAP Provider Handbook, indicate one of the following codes. The description, policy holder, plan name, group number, etc. are not required.

<u>Code</u>	<u>Description</u>
OI-P	PAID in part by other insurance. The amount paid by private health insurance to the provider or the insured is indicated on the claim.
OI-D	DENIED by private insurance following submission of a correct and complete claim, or payment was applied towards the coinsurance and deductible. DO NOT use this code unless the claim was actually billed to and denied by the private insurer.
OI-Y	YES, card indicates other coverage but it was not billed for reasons including, but not limited to: <ul style="list-style-type: none"><li>- recipient denies coverage or will not cooperate;</li><li>- the provider knows the service in question is noncovered by the carrier;</li><li>- insurance failed to respond to initial and follow-up claim; or</li><li>- benefits not assignable or cannot get an assignment.</li></ul>

- When "Other coverage" of the recipient's Medical Assistance identification card indicates "HMO" or "HMP", indicate one of the following disclaimer codes, if applicable:

<u>Code</u>	<u>Description</u>
OI-P	PAID by HMO or HMP. The amount paid is indicated on the claim.
OI-H	HMO or HMP does not cover the service or the billed amount does not exceed the coinsurance and deductible amount.

Important Note: The provider may not use OI-H if the HMO or HMP denied payment because an otherwise covered service was not rendered by a designated provider. Services covered by an HMO or HMP are not reimbursable by the WMAP except for the copayment and deductible amounts. Providers who receive a capitation payment from the HMO may not bill the WMAP for services which are included in the capitation amount.

Bill Medicare before billing the WMAP. When the recipient's Medical Assistance identification card indicates Medicare coverage, but Medicare does not pay, indicate one of the following Medicare disclaimer codes (the description is not required):

<u>Code</u>	<u>Description</u>
M-1	Medicare benefits exhausted. This disclaimer code may be used by hospitals, nursing homes, and home health agencies when Medicare has made payment up to the lifetime limits of its coverage.
M-5	Provider not Medicare certified for the benefits provided.
M-6	Recipient not Medicare eligible.
M-7	Medicare disallowed (denied) payment. Medicare claim cannot be corrected and resubmitted.
M-8	Medicare was not billed because Medicare never covers this service.

If Medicare is not billed because the recipient's Medical Assistance identification card indicates no Medicare coverage, leave this item blank.

If Medicare allows an amount on the recipient's claim, attach the Explanation of Medicare benefits (EOMB) to the claim and leave this item blank. Do not enter Medicare paid amounts on the claim form. Refer to Appendix 17 of Part A of the WMAP Provider Handbook for more information on submitting dual entitlee claims.

#### **ITEMS 85 AND 86 - PROVIDER SIGNATURE AND DATE**

The provider or the authorized representative must sign item 85. Indicate the month, day, and year the form is signed in item 86.

NOTE: This may be a computer printed name and date, or a signature stamp.
